

November 24, 2025: On the Intelligence Community's Coup de Tat Over America

Where I come from, they say that 'the intelligence community is pissing on our leg and telling us it's raining.'

"Since I entered politics, I have chiefly had men's views confided to me privately. Some of the biggest men in the United States, in the field of commerce and manufacture, are afraid of something. They know that there is a power somewhere so organized, so subtle, so watchful, so interlocked, so complete, so pervasive, that they better not speak above their breath when they speak in condemnation of it."

The quote you are referring to is from Senator Chuck Schumer, who in 2017 warned then-President-elect Donald Trump about challenging the intelligence community's credibility. [🔗](#)

The exact quote, as reported in several news outlets, was: **"Let me tell you, you take on the intelligence community, they have six ways from Sunday to get back at you"**. [🔗](#)

Schumer made the comment during a January 3, 2017 interview on MSNBC, in the context of Trump's public skepticism regarding the intelligence community's findings that Russia had interfered in the 2016 U.S. election. He also added that for a "practical, supposedly hard-nosed businessman, he is being really dumb to do this". [🔗](#)

'Wizards and Warlocks' of the Freemason Secret Society have taken over the United States military and intelligence community and now they are using it as a coup de tat over American politics.
